

Free Developmental Screening

OT • Speech • PT

If you have any questions about your child's development, let the developmental experts take a quick look.

CPT is offering Free Developmental Screenings
for infants, toddlers, and preschoolers

Early intervention provides the best opportunity for children to fulfill their potential!

If you are questioning your child's development, let our pediatric therapists give you some feedback on how your child is progressing with fine & gross motor, speech, sensory processing, and self-help skills. This information will help you make informed decisions about your child.

Two offices to serve you:

Fairfield • 1300 Post Road – Suite 204 • (203) 255-3669

Wallingford • 101 N. Plains Industrial Rd – Building 2 • (203) 949-9337
